by NAAEI credential holders as a distinctive visual symbol of a NAAEI credential that can be easily recognized by employers, colleagues, industry professionals and clients. In essence, credential holders should use this mark as a seal of quality and integrity, as it is a recognized symbol of professionalism that distinguishes credential holders from other industry professionals. The use of a NAAEI credential should only be used by credential holders who have maintained the required renewal of their certification (as applicable) and whose rights to use the credential have not been suspended or revoked. The credential mark may not be altered or modified in any way. It should not be used as any part of a company name or logo.
